1. Reference is made to your memorandum of 28 February 1961 on Subject.

2. We plan to discuss the receipt by Daytro GMYP and Antin NYCZYPCKUK of the letter containing secret writing from Subject, who will be identified only as a resident of the United States. We believe such a discussion is desirable in view of its pertinence to the current investigation of the intelligence ectivities of Vasiliy MYAKUSHKO (newber of the Soviet delegation to UNESCO from April 1957 to August 1960). There have been reports that our source is considered by the soviets to be American controlled. Thus it was considered that, if this letter were a Soviet intelligence commication, it was likely the Soviets would consider the operation compromised when our source's possession of the letter was reported. For this reason, we decided it was bedt to forge a copy of the POECRILIW letter

we reported in reference 1.d. on 8 or 9 January 1961 to Antin NYCZYPCRUK the forged copy of the POHORILIN To date there has been no report of any reaction to HYCZYPORUK's receipt of the forgery.

He has been employed, since 1945, as night watchman for the "Societe de Transports de Vehicules Automobiles", 60 rue St. Ferdinand, Paris 17eme.

From his second marriage with Martha MASLY, born 9 September 1903 in LHOW Poland, he had a third son Jean, born 22 May 1940 in Paris (12th arrondissment) who chose a French nationality.

During the German occupation, GNYP who has been in France since 1925 went to work in Germany as a volunteer for the organization TODT. Returning to France in 1943 he worked until the Liberation as a chauffour for the "Legion SPEER" at Enghien Les Bains.

In 1944, with the liberation, he was arrested and intermed at Fresnes for collaboration, but this detention was not followed by condemnation.

In the milieux of Ukrainian refugees he is considered as an opportunist.

b. Antin NYCZYPORUK (according to GNYP his true name is MYKYPORETZ) was born about 1910. He is married and had a wife and two children in Reginsk. Prior to 1944 he was a professor of Ukrainian and West European Literature at a pedagogical institute in Kiev. HYCZYPORUK left the USSR in 1944; from 1945 to 1948 he was in an International Refugee Organization camp in Salzburg, Austria; he has resided in France since 1948.

- 4. The following details on GMYP's and MYCZYFORUR's involvement with Soviet intelligence were obtained by our source from CHYP and other Ukrainian emigres in France. During the period 1956 to 1960 GMYP and Vasiliy MYAKUSHO, Third Secretary of the Soviet Delegation to UNECO, frequently visited with each other at the Soviet Embassy and at GHYP's apartment on 211 Rus de Bercy. At the end of 1959 GMTP introduced NYCZYPORUK to MYAKUSHKO. MYAKUSHKO asked NYCZYPOEUK to contribute literary articles to Soviet publications; it is not known whether MYCZYPORUK wrote any such articles. Early in 1960 SYCZYPCHUK developed a persecution complex and was confined to a sanitarium for a short period. GHTP, feering that NYCZYPORUK might expose the GMYP-MYAKUSIKO relationship, provided SYCZYPORUK with free board and lodging in his apartment and with spending money. MYAKUSHKO dropped NYCZYPONIK as soon as the latter's mental condition became obvious. In May 1960 the Soviet Exbassy advised HYCZYPORUK to repatriate to the USER as soon as possible, and offered to help locate his family in the USER. (As you already know, in October 1960 the Soviets sent BYCZYPORUK a letter reporting his family was not in Roginsk. See attachment.)
- 5. There is a rumor in the Ukrainian emigre colony in Paris that MYCZYPORUK has been a Soviet agent since about 1949. This is based on his close relationship with Josef (aka Osyp) MOZAK since 1949. MOZAK moved to France from Munich in 1946. Until his expulsion in 1950 he was quite active in the Organization of Ukrainian Nationals/Bandera (OUR/B) in France. He was custed from the CUR/B because of his excessive curically about CUR/B members and their relatives in the USBR. Subsequently it was learned that MOZAK was in contact with the Soviet Embassy in France. MOZAK is presently residing at 26 rum Gaston Jaillon, Vesines Chalette, Loiret.
